

Virtual Hero Participant Packet

WELCOME & THANK YOU

Welcome and thank you for joining us as a Virtual Hero. Becoming a Virtual Hero is a great way to be part of our Huntsman Heroes community from anywhere around the world by doing any activity you love. It is an amazing way to celebrate those who have survived a cancer diagnosis and to honor those we have lost to this horrible disease, by having the opportunity to support the mission of Huntsman Cancer Institute (HCI).

No matter how you choose to participate, we appreciate your dedication to this special cause. This work would not be possible without your help and involvement. We enjoy getting to see participants share their “Why” on social media and encourage you to do the same as you train, prepare, and participate in your Virtual Hero activity.

In this packet you will find customizable race bibs and signs that can be printed out and used during the event. We have also included a coloring version of each sign so that children of all ages can participate along side you and cheer you on as you accomplish your physical and philanthropic goals! Thank you for your dedication to raising essential funds for the mission of HCI. We wish you the best of luck as you prepare for your upcoming activity.

Thank you!

Sincerely,

Your Friends at Huntsman Cancer Foundation
