

Big Challenge, Big Goal: \$10M in 10 years

Lendmark is committed to the pursuit of a cure for childhood cancer and to supporting the families of kids battling this terrible disease. As a company whose culture is grounded in the spirit of servant leadership and giving back, we are proud to rally our employees, customers, and business partners like you to raise funds and awareness for this cause each year.

It is through this collaboration that Lendmark has raised \$6.73M since 2015 for CURE Childhood Cancer, a leading nonprofit dedicated to curing childhood cancer via targeted research. Our 2025 vision is to raise another \$3.27 million to bring our 10-year fundraising total to **10 million dollars**.

Will you join us to help make this vision a reality?
