Dear

I'm reaching out to you because I've created a fundraising site to help protect threatened and endangered wildlife, and I need your help to reach my goal!

The animals who share our planet are in greater danger than ever before. That's why I started a fundraiser for Defenders of Wildlife to protect imperiled wildlife and the habitat they need to survive.

I hope you'll consider helping me reach my goal to help save the animals who need us most!

1. Visit <http://fundraise.defenders.org>.
2. Use the search at the top of the site to find _____
3. Click on my fundraising page to learn more about why I'm supporting Defenders of Wildlife and pitch in to help protect imperiled wildlife!

Sincerely,
