Black Tie*

At Almost Home Kids, our mission is to provide a bridge from hospital to home for children with medical complexities. In a comforting, home-like environment, children receive 24-hour medical and nursing care while families are trained to care for their child at home.

The **Share the Care Ball** is the signature fundraising event of Almost Home Kids, bringing together supporters to ensure families have the time, training, and support they need for a safe transition home.

Proceeds raised at the **2026 Share the Care Ball** will support this vital bridge of care, helping children leave the hospital sooner and families feel ready for the journey ahead.

AHK has the capacity to serve 240 children and families for 9,900 days of care annually.

Please see the next page for individual and corporate sponsorship opportunities.
