

**When kids need care,  
there should be no limits**

Every child deserves the chance to laugh, heal, grow and dream without limits. On Lurie Children's Day, our community comes together to raise **funds to ensure every child can receive the care they need.**

Your gift helps ensure that when a child needs care, there are no limits to what we can do.

- \$50 → Helps provide family support services during treatment
- \$250 → Supports access to specialized pediatric care
- \$500 → Helps remove financial barriers for families in need

### **Make a Gift**

You can make a one-time gift or become a monthly partner to help us reach our \$500,000 goal for kids. Every kid, no matter the size, has a tremendous impact on the patients and families we care for.

This June, I am celebrating Lurie Children's Day by fundraising, because every child deserves the best possible care, no matter their circumstances.

But delivering that care requires more than medical expertise. It requires innovation, compassion and a community willing to stand with families when they need it most.

Your gift helps ensure that when a child needs care, there are no limits to what Lurie Children's can do.
