

2025 Buy a Block Campaign Printable Donation Form

Citymeals on Wheels is able to continue its work of bringing nutritious meals to the doors of our 22,000 older neighbors through the Annual Buy a Block Campaign with the ongoing commitment of Board Members Albert Behler of Paramount Group and Alan Grossman of ARG Realty. At \$10 per meal, your donation could provide older New Yorkers across all five boroughs with weekend and emergency meals for one year. With the generous support of the real estate community, and your direct contribution, Citymeals is one step closer to ending elder hunger by 2040.

Thanks to City of New York, our board members, and certain designated grants for administrative expenses, we are able to promise that 100% of all other donations will be used entirely for the preparation and delivery of meals. All contributions made to this campaign are fully tax deductible.

Please print the form below and mail to:
